Dear Tim Harding,

The U.S. Environmental Protection Agency (EPA) has received your recent Emissions Collection and Monitoring Plan System (ECMPS) submission as identified below, and has loaded your data into the EPA host system. Please review the attached feedback report, which describes all data errors identified by the EPA (if errors were found), and provides guidance in resolving those errors.

Please note this email contains an additional attachment along with the feedback report. The second attachment is a compressed gzip file included for purposes of CROMERR. In order to ensure proper receipt of this email, EPA has renamed the file and changed the extension to ".xml.epa". To view this file you must first rename the file and change the extension back to ".xml.gz". For more information on CROMERR, the file, and how to view its contents please see the following link: <http://ecmps.camdsupport.com/faq/index.php?action=artikel&cat=4&id=55&artlang=en&highlight=email>
